

**Magnets!**

A large, empty cylinder outline is centered on the page. Inside the cylinder, the text "A magnet is a piece of iron that can pull things." is written in a bold, black, sans-serif font.

**A magnet is a piece of iron that  
can pull things.**

**A magnet's strength is how strongly it pulls.**

**Magnets have two poles. They have a North pole and a South pole.  
Draw a picture.**

**Opposite poles attract each other.  
Draw a picture.**

**Like poles repel each other.  
Draw a picture.**

**A magnetic force can pass  
through paper. Draw a picture.**

**A magnet can magnetize things.  
Draw a picture.**

A large, empty cylinder outline is centered on the page. Inside the cylinder, the text "When the magnet moved, I saw" is written in a bold, black, sans-serif font. The text is followed by a horizontal line for a blank space to write an answer.

**When the magnet moved, I  
saw\_\_\_\_\_**
